

Stupid Man

[Vers 1]

Dying to please	Dying to serve
I couldn't break out	Didn't have the nerve
Loverman	At anyone's command
I woke up lonely	With a glass in my hand

[Bridge]

And you found me, when my circus was in town
Hallelujah for the singing clown

[Omkv.]

Walk with me, take my hand	Spend a night with the stupid man
I am yours, if you can	Fall in love with the stupid man

[Vers 2]

Helpless soul	In a web of love
I didn't get a thing	But I couldn't get enough
Drunken tears	From paranoid eyes
Promises	came out lies

[Bridge]

And you found me, when my ship was about to go down
And you carried me back on solid ground

[Omkv.]

Walk with me, take my hand	Spend a night with the stupid man
I am yours, if you can	Fall in love with the stupid man

[solo m. tale]

(Scrap book memories from a life that has been dead)
(Tells me there is no one to blame, and therefore no one to forgive)

[Solo]

[Omkv. x 2]
